The **Blue** BookSM Dental e-Manual

Nothing in this e-manual is intended or should be understood to modify the requirements, limitations and/or exclusions in the BCBSNC member's policy.

Note: In the event of any inconsistency between information contained in this e-manual and the Dental Network Participation Agreement between your dental care practice and Blue Cross and Blue Shield of North Carolina (BCBSNC), the terms of such agreement shall govern. Also, please note that BCBSNC and other Blue Cross and/or Blue Shield Plans may provide available information concerning an individual's status, eligibility for benefits and/or level of benefits. The receipt of such information shall in no event be deemed to be a promise or guarantee of payment, nor shall the receipt of such information be deemed to be a promise or guarantee of eligibility of any such individual to receive benefits. Further, an individual's possession of a BCBSNC identification card in no way creates, nor serves to verify an individual's status or eligibility to receive benefits. In addition, all payments are subject to the terms of the contract under which the individual is eligible to receive benefits. For the purposes of this e-manual: insured, policyholder, participant, patient, member, enrollee, subscriber and covered person are terms used to refer to a person who is entitled to receive benefits underwritten or administered by BCBSNC, however such person may be referred to or described in said policy.

BCBSNC may provide notices of updates to the dental e-manual and updates to dental policies and procedures generally by posting them on bcbsnc.com. More information regarding such electronic notices is set out in the dental e-manual.

CHAPTER 1

Introduction

1.1 About The **Blue** BookSM Dental e-Manual

Blue Cross and Blue Shield of North Carolina (BCBSNC) is pleased to provide you with The **Blue** BookSM Dental e-Manual (e-manual) for dental care providers. This e-manual has been designed to make sure that you and your office staff have the information necessary to effectively administer BCBSNC dental products. This e-manual contains information that dental providers need in order to administer BCBSNC dental care program efficiently and understand policies and procedures used in the management of the BCBSNC member's dental benefits.

The e-manual is intended as a supplement to the Dental Network Participation Agreement "Agreement" between you the dental provider and Blue Cross and Blue Shield of North Carolina (BCBSNC). The agreement is the primary document controlling the relationship between participating dental providers and BCBSNC. Nothing contained in this e-manual is intended to amend, revoke, contradict or otherwise alter the terms and conditions of the agreement. BCBSNC policies and procedures will change periodically, and pursuant to the terms of your agreement, dental providers will be deemed to receive electronic notification of such changes when BCBSNC posts new or amended policies and procedures in this e-manual or in another applicable section of bcbsnc.com. The latest news for dental providers in the BCBSNC network is available via the Dental Blue[®] News page at bcbsnc.com/content/providers/news-and-information/dental-blue-news.htm.

We thank you for your participation in the BCBSNC dental network, as we continue our efforts to help our members improve the quality of their health and dental care.

1.2 The **Blue** BookSM Dental e-Manual available online

To access the e-manual online, please visit us on the Web at bcbsnc.com, click on the "Providers" page, and then click on the hyperlink for the e-manual. You must have Acrobat Reader on your computer to download the e-manual. If you are unable to download The **Blue** BookSM Dental e-Manual and you would like a copy, please contact your BCBSNC Network Management representative.

1.3 Additional resources

This e-manual is your main source of information for how to administer BCBSNC dental products. If you cannot find specific information in this e-manual, the following additional resources are available to assist:

- + Your Dental Network Participation Agreement
- + BCBSNC's dental website (for dental providers) at bcbsnc-dental.com
- + BCBSNC's website for providers (not exclusively dental) at bcbsnc.com/content/providers/
- + Dental Blue® News, (BCBSNC's dental e-news service). Register to receive the latest news at bcbsnc.com/content/providers/dental-providers/email/index.htm. View the latest relevant news for dental providers articles at bcbsnc.com/content/providers/news-and-information/dental-blue-news.htm
- + Blue eSM at providers.bcbsnc.com/providers/login.faces
- + Customer service at **1-800-214-4844**
- + Your Network Management representative at **1-800-777-1643**

For additional contact information, please reference **Chapter 2** of this e-manual.

Thank you for your participation and for providing dental care to our BCBSNC members.

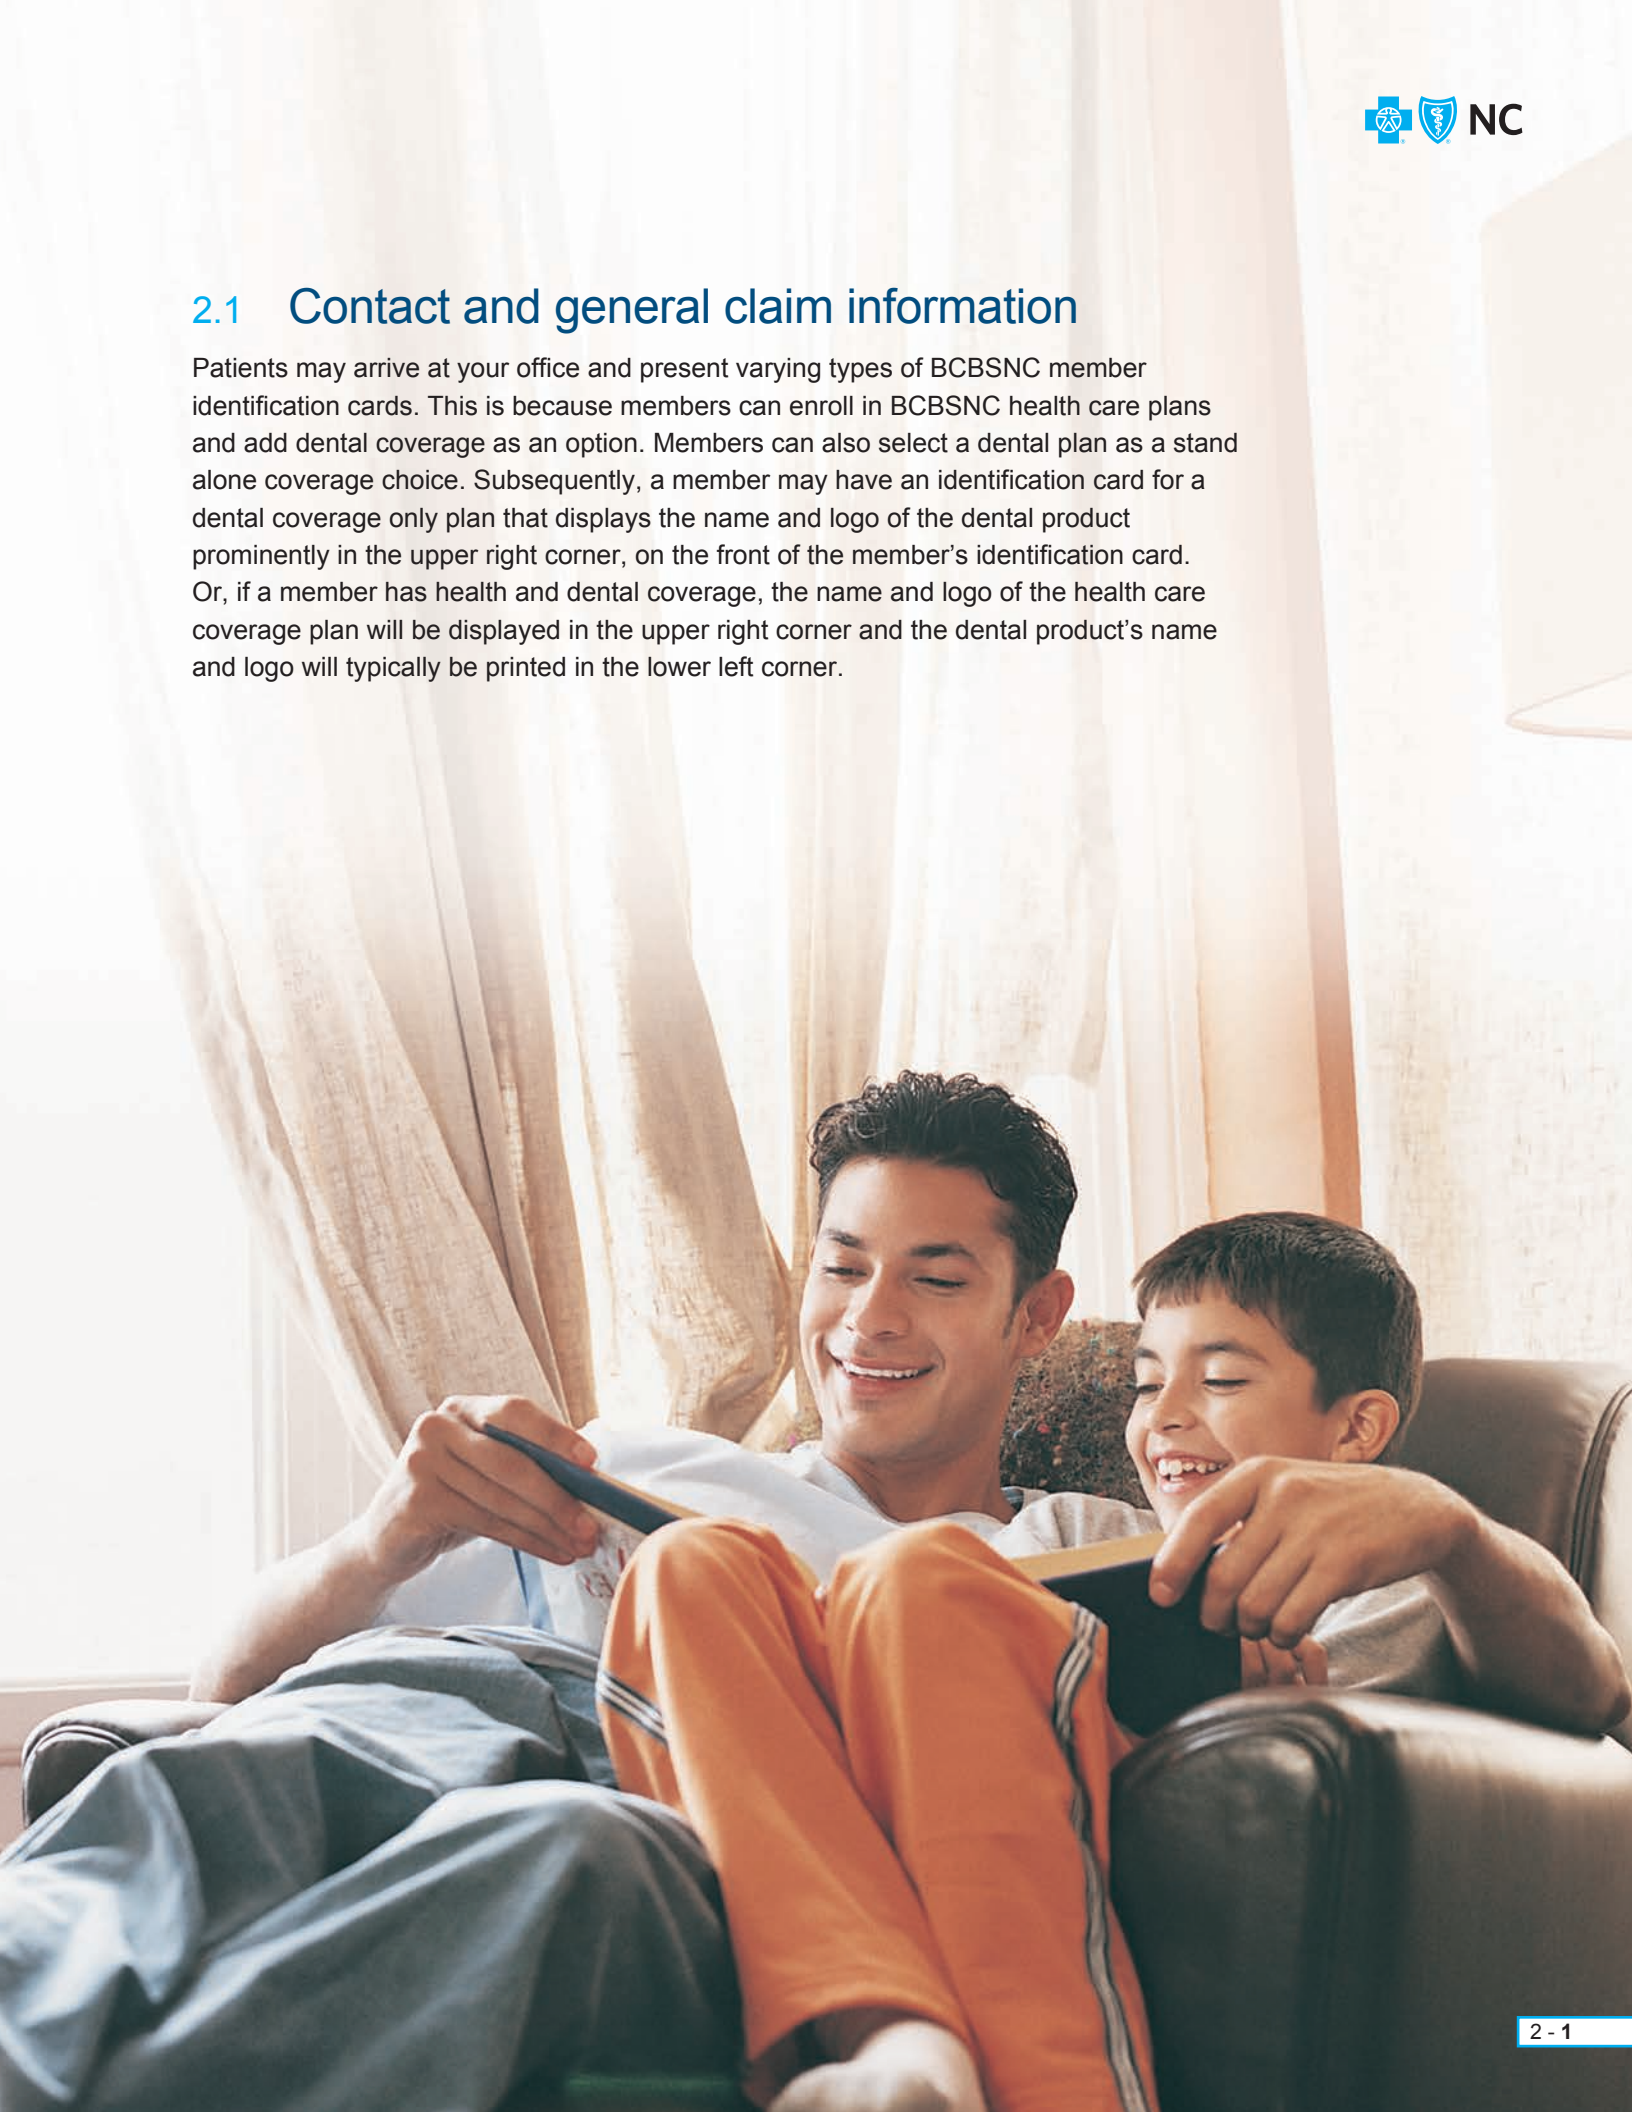

CHAPTER 2

**Contact information and
general administration**

2.1 Contact and general claim information

Patients may arrive at your office and present varying types of BCBSNC member identification cards. This is because members can enroll in BCBSNC health care plans and add dental coverage as an option. Members can also select a dental plan as a stand alone coverage choice. Subsequently, a member may have an identification card for a dental coverage only plan that displays the name and logo of the dental product prominently in the upper right corner, on the front of the member's identification card. Or, if a member has health and dental coverage, the name and logo of the health care coverage plan will be displayed in the upper right corner and the dental product's name and logo will typically be printed in the lower left corner.

2.2 Eligibility, benefit verification and claim status

Dental providers and their staff can review eligibility and benefits for BCBSNC members enrolled in **Dental Blue for Groups, Dental Blue for Individuals, Dental Blue for Seniors, and Dental Blue for Federal Employees (terminating 12/31/2015)**:

- + **Phone** – Providers who contact Dental Blue customer service at **1-800-305-6638** can receive a maximum of three (3) Verification of Benefits (VOB) at a time.
- + **Website** – bcbsnc-dental.com includes the added feature of displaying benefit accumulator amounts, helping dental providers to see what amounts have been applied to a patient’s dental deductible and coinsurance during the course of a benefit plan year.
- + **Fax** – BCBSNC Dental Blue offers a faxback feature for providers seeking Verification of Benefits (VOBs). Providers may contact BCBSNC Dental Blue customer service to request VOBs. An unlimited amount of VOBs can be faxed to providers when requesting VOBs prior to rendering dental services. Call **1-800-305-6638** and select the faxback option to request VOBs.

Verification of care eligibility and benefits for members enrolled in **medical policy plans with dental procedures, pediatric dental, and FEP Dental**, can be obtained in one (1) of the following ways:

- + **Phone** – Providers may call to verify eligibility and benefits:
 - **Pediatric Dental / Dental Services under a Medical Plan** - Call the customer service number on member’s ID card
 - **Federal Employee Health Benefit Plan (FEHBP)** - Call **1-800-222-4739** for dental claims filed with CPT codes on 2012 ADA form

Website – **Blue eSM** is a secure, internet-based application, for verification of membership and eligibility from the convenience of your internet browser. BCBSNC offers this service free-of-charge to BCBSNC dental providers. Providers can easily register for **Blue eSM** online. **Blue eSM** can be used to find dental claim status for claims submitted for policies with the PO Box 35, Durham NC filing address, listed on the patient’s ID card.

Dental providers not currently registered to use **Blue eSM**, can register online at providers.bcbsnc.com/providers/login.faces. Providers with questions about enrolling as a **Blue eSM** user or how to use **Blue eSM** transactions can contact BCBSNC’s eSolutions HelpDesk at **1-888-333-8594** or you can email us at Bluee.HelpDesk@bcbsnc.com.

2.3 ACS Benefit Services, Inc. (ACS)

BCBSNC utilizes the services of ACS Benefit Services, Inc. (ACS), for the administration of customer service and claims processing for the BCBSNC dental products. ACS claims system allows ACS to process claims accurately because their processing systems are customized for each dental plan's benefit structure, down to the code and tooth number level. Most claims are processed as EDI (Electronic Data Interchange) claims for increased efficiency.

ACS acts on behalf of BCBSNC to administer:

- + Dental claims processing
- + Eligibility and benefit verification
- + Customer service
- + Pre-treatment
- + Reconsideration first level appeals for claim denials

2.4 BCBSNC dental customer service

The BCBSNC dental customer service office can be reached toll-free at **1-800-214-4844** during the hours of operation, Monday through Friday from 8:00 a.m. to 6:00 p.m., Eastern Standard Time. Calls received outside these hours are handled by the BCBSNC Dental Blue integrated voice response (IVR) system. The IVR allows callers with a touch-tone phone to access benefit plan information via a series of voice prompts. When calling dental customer service, please use the customer service phone number assigned to the patient's dental coverage plan type. Customer service numbers are printed on the back of BCBSNC member's identification cards and are additionally located within this chapter.

2.5 BCBSNC enhanced Web-based services

BCBSNC offers Web-based services to assist dental providers with the many administrative functions associated with arranging patient care and subsequent claim submission and claims reconciliation. These services are available by accessing bcbsnc-dental.com.

- + Standard services include:
 - Member/eligibility check
 - Member claim history (claim history for dental services provided by your practice to your patients)
 - Pre-treatment/authorization submission
 - Review pre-treatment/authorization service requirements (if x-rays and/or treatment plans are required these requirements will be noted)
 - Upload required documents using national electronic attachment (NEA) (e.g. X-ray images, perio-charting, ortho contracts, etc.)
 - Check claim status
 - Check pre-treatment status

The bcbsnc-dental.com website access requires registration. To register please call BCBSNC dental customer service at **1-800-305-6638** and request to speak with Provider Web Services.

Providers with questions about Web-based transaction registration or providers experiencing website difficulty can contact Provider Web Services by calling **1-800-305-6638**.

2.6 NEA FastAttach™ and FastLook

Dental providers can send electronic attachments using the NEA (National Electronic Attachment Inc.) offered services of FastAttach. FastAttach enables dental providers to transmit attachments (i.e. X-rays, lab reports, perio-charts) in support of electronic claims to dental insurance payers using the internet. Attachments can also be stored for providers who request storage services. Additional information about NEA FastAttach can be found in **Section 7.5** of this e-manual.

2.7 BCBSNC Network Management

Your Network Management field office is responsible for developing and supporting relationships with participating dental providers and their staff. Network Management staff is dedicated to serve as a liaison between you and BCBSNC. Network Management staff can be reached at **1-800-777-1643** and is available to assist your practice with the following:

- + Enrollment/contracting with BCBSNC
- + Questions regarding BCBSNC contracts, policies and procedures

CHAPTER 3

**Dental provider
demographics**

3.1 Dental provider demographics

BCBSNC maintains an online provider directory listing addresses, phone numbers and current rosters of providers at a participating practice, so that our members can quickly locate dental care providers and health care providers to schedule appointments. Our ability to successfully direct members to you for their dental care depends on the accuracy of the information we have on file for your dental practice. We encourage you to visit the “Find a Dentist page” located on the BCBSNC website at [bcbsnc.com](https://www.bcbsnc.com) to validate your dental care business information.

If you find that your dental practices information needs to be updated, please let us know by contacting a BCBSNC Network Management representative or complete and return a provider demographic form that can be accessed from the “Dental Providers” tab on our website at [bcbsnc.com/content/providers/index.htm](https://www.bcbsnc.com/content/providers/index.htm). Providers can email the completed form to Provider.Addressupdts@bcbsnc.com or fax to BCBSNC at 1-919-287-8884.

Please note that having accurate mailing information on file for your practice also ensures you receive claims payments and other important correspondence in a timely manner from BCBSNC.

=====

Provider Demographic Form

It is a participating provider's/group's contractual obligation to notify Blue Cross and Blue Shield of North Carolina (BCBSNC) of any change in demographic information. This is critical to ensure BCBSNC and Blue Medicare HMO and Blue Medicare PPO members can access care through your practice by displaying the correct demographic information in the Provider Directory.

Blue Medicare Mailing/Correspondence Address

It is imperative that your practice specify where you would like to receive mailings specific to Blue Medicare. Blue Medicare correspondence can include information regarding membership and claim adjustments/requirements; information that may have a great impact on your relationship with our members.

Notice Contact – What is it? For non-Medicare provider agreements, the Notice Contact is the name or title and address that you and BCBSNC are required to use to send certain notices regarding your provider agreement. This address is the "Notice Contact" listed in your agreement with us. Your Commercial agreement with us must contain a "Notice Contact" provision listing the name or title and address of the person to whom contractual notices and other communications regarding our agreement shall be sent.

Some notices must be sent in writing. Other notices may be sent electronically. See your provider agreement and the provider manual for more details. The "Notice Contact" may be different from your billing address and physical address. It is a participating provider's/group's contractual obligation to notify BCBSNC of any change to the Notice Contact.

You may update the Notice Contact identified in your agreement with us by filling out this form and sending it to us. We accept e-mails, faxes, or hard copies. Only persons authorized to update or amend your provider agreement with us may complete this form, as this is a contractual requirement.

CHAPTER 4

Dental benefit plans

4.1 Dental Blue® products

Blue Cross and Blue Shield of North Carolina (BCBSNC) offers a dental benefit plan for individuals and a choice of dental plan products for groups:

- + Dental Blue for IndividualsSM – a consumer driven dental plan for individuals and their eligible dependents.
- + Dental Blue for SeniorsSM – a consumer dental product for individuals and their spouse age sixty-five (65) and older.
- + Dental Blue® for Group – offers employers the freedom to customize a plan to meet the needs of employees, customizing plans from a choice of available benefit options.
- + Dental Blue SelectSM – a competitive voluntary dental plan. Employers have a choice of Standard, Complete or Enhanced dental plans.
- + Dental Blue® for Federal Employees – a BCBSNC product offering flexibility and choice, intended to complement the policy offered to Federal employees and retirees of the Federal government. See **Chapter 5, Section 5.6**, for additional information about this product.

In addition to the dental benefit plans for groups and individuals, BCBSNC medical plans offer limited dental benefits where applicable. Pediatric Oral Health benefits were also added to BCBSNC health plans as mandated under the Affordable Care Act. Please reference **Section 4.7** of this e-manual for additional information regarding Pediatric Dental services covered under BCBSNC medical plans.

4.2 Member identification cards

BCBSNC members enrolled with dental coverage receive identification cards from BCBSNC that display the name of the subscriber, as well as, the names of his or her eligible dependents. Providers are responsible for verifying that members are eligible for benefit coverage at the time services are rendered and for determining if patients have other dental coverage.

It's important to note that an identification card, in itself, does not guarantee that a person is currently enrolled in a BCBSNC dental plan. Whether from speaking with BCBSNC customer service, obtaining member information using **Blue eSM** or from the website bcbsnc-dental.com, information about benefits and eligibility is accurate at the time it's provided.

Coverage and payment decisions pertaining to eligibility are made according to the member's policy and current eligibility information when a claim is received, as of the date services were rendered. Eligibility responses provided by customer service, **Blue eSM** and/or the website bcbsnc-dental.com do not guarantee coverage, eligibility or payment. Sample member identification card images can be found in **Chapter 2**.

BCBSNC **strongly** recommends that a patient's chart be updated with a photocopy of the patient's most current member identification card, each time a patient is seen in your office. The updated copy of the member's card will help ensure that the needed member identifying information is accurately recorded for reporting on the next claim submission.

Dental Blue®

4.3 Dental Blue® for Group

Dental Blue for Group is a group dental plan available to employees through their employer. Employers may contribute any amount towards the premium costs. Dental Blue for group is underwritten by Blue Cross and Blue Shield of North Carolina (BCBSNC).

Dental Blue for group offers employer groups a choice of standard and non-standard plans that include a choice of deductibles and annual maximums.

Important: BCBSNC also offers a voluntary dental product called Dental Blue Select. Please refer to **Section 4.4** of this e-manual for information about the BCBSNC voluntary group dental plan.

However, waiting periods will not be waived if more than sixty-three (63) days have passed between the termination of the prior coverage and the effective date of the current coverage.
BASIC	6 months	
MAJOR	12 months	
ORTHODONTIA	NA	

Dental providers should always verify a member's benefits and eligibility prior to providing dental care services by calling the customer service number on the back of the member's ID card. Additionally, contact information for verifying benefits and eligibility can be found in **Chapter 2** of this e-manual.

4.7 Medical plans with dental benefits/ Pediatric Oral Health

BCBSNC medical plans offer limited dental benefits were applicable. Effective January 1, 2014, Pediatric Oral Health benefits were added to BCBSNC health plans as mandated under the Affordable Care Act (ACA). The ACA mandate made Pediatric Oral Health (Pediatric Dental) **benefits available to children up to age nineteen (19)**. Pediatric Dental benefit is an essential health benefit for all BCBSNC ACA compliant plans for fully insured small groups and non-grandfathered individual plans.

Pediatric Dental benefits offer a full range of dental services including preventive, basic, major and medically necessary orthodontia services covered under a small group or a non-grandfathered individual medical policy with BCBSNC. Prior approval is required for medically necessary orthodontia covered under Pediatric Oral Health.

Members covered under BCBSNC medical plan with Pediatric Dental benefits may visit a dental network provider or an out-of-network provider for dental services. If members choose to visit a network dentist they may save on their out-of-pocket cost.

A participating dentist rendering dental care to a member with Pediatric Dental benefits must submit claims using the 2012 ADA claim form to BCBSNC medical plan first for reimbursement. The member's medical plan is considered primary. Once the claim is processed and payment issued, the provider or member may submit a claim to the member's dental carrier for reimbursement. BCBSNC dental plan will always be considered secondary to the member's medical plan for Pediatric Dental services.

4.7.1 Member eligibility, benefits and claim status

Dental providers should always verify a member's actual eligibility and benefits prior to providing dental care services. To verify eligibility, benefits and claim status for pediatric dental services, contact medical customer service at the phone number listed on the back of the member's ID card. Providers may also verify benefits by visiting the **Blue eSM** website.

Dental providers can identify a member under age nineteen (19) with Pediatric Dental by viewing the back of the member's medical ID card. **If Emdeon Dental Payer ID #61472 appears under the medical mailing address, then the member has Pediatric Dental benefits.** The claim should be submitted to either Emdeon #61472 or the medical mailing address.

- + Devices and equipment used for environmental accommodation requiring vehicle and/or building modifications such as, but not limited to, chair lifts, stair lifts, home elevators, and ramps
- + For services primarily for educational purposes including, but not limited to, books, tapes, pamphlets, seminars, classroom, Web or computer programs, individual or group instruction and counseling, except as specifically covered by your dental benefit plan
- + For any condition, disease, ailment, injury or diagnostic service to the extent that benefits are provided or persons are eligible for coverage under Title XVIII of the Social Security Act of 1965, including amendments, except as otherwise provided by Federal law
- + For conditions that Federal, state or local law requires to be treated in a public facility
- + For vitamins, food supplements or replacements, nutritional or dietary supplements, formulas or special foods of any kind

- + Dental procedures performed solely for cosmetic or aesthetic reasons, except when dental procedures are performed in order to restore normal function to minor children with congenital defects and anomalies
- + Dental procedures not directly associated with dental disease
- + Procedures not performed in a dental setting
- + Treatment of malignant or benign neoplasms, cysts, or other pathology, except excisional removal
- + Treatment of congenital malformations or hard or soft tissue, including excision. Hard or soft tissue biopsies of neoplasms, cysts, or hard or soft tissue growth or unknown cellular makeup are not excluded.
- + Replacement of complete or partial dentures, fixed bridgework or crowns within eight (8) years of initial or supplemental placement. This includes retainers, habit appliances, and any fixed or removable interceptive orthodontic appliances.
- + Services related to the temporomandibular joint (TMJ), either bilateral or unilateral
- + Expenses for dental procedures begun prior to the member's eligibility with the Plan
- + Fixed or removable prosthodontic restoration procedures for complete oral rehabilitation or reconstruction
- + Attachments to conventional removable prostheses or fixed bridgework, including semi-precision or precision attachments associated with partial dentures, crown or bridge abutments, full or partial overdentures, any internal attachment associated with implant prosthesis, and any elective endodontic procedure related to a tooth or root involved in the construction of a prosthesis of this nature
- + Procedures related to the reconstruction of a patient's correct Vertical Dimension or Occlusion (VDO)
- + Denture relines for complete or partial conventional dentures are not covered for six (6) months following the insertion of prosthesis. Tissue conditioning and soft and hard relines for immediate full and partial dentures are not covered for six (6) months after insertion of the full or partial denture. After the specified waiting period, relines are covered once every twelve (12) months.
- + One hard tissue periodontal surgery and one soft tissue periodontal surgery per surgical area are covered within a three (3) year period. This includes gingivectomy, gingivoplasty, gingival curettage (with or without flap procedure), osseous surgery, pedicle grafts, and free soft tissue grafts.
- + Osseous grafts, with or without resorbable or non-resorbable GTR membrane placement, are covered once every thirty-six (36) months per quadrant or surgical site
- + Clinical situations that can be effectively treated by a more cost-effective, clinically acceptable alternative procedure will be assigned a benefit based on the less costly procedure
- + Services for incision and drainage if the involved abscessed tooth is removed on the same date of service
- + Full mouth debridement is limited to once every five (5) years
- + Occlusal guards for any purpose other than control of habitual grinding
- + Placement of fixed bridgework solely for the purpose of achieving periodontal stability
- + Implants (except as specifically covered)
- + Orthodontia services (except as specifically covered)
- + Any dental services not specifically listed as a covered service

Note: This is a partial list of exclusions/limitations. Please refer to **Chapter 7** for a complete listing (general limitations). Additionally, the member booklet can be referenced for final determination of exclusions/limitations. Providers are reminded to always verify a member's benefits and eligibility prior to rendering a service.

CHAPTER 5

**Federal plans with
dental benefits**

5.1 Federal Employees Health Benefit Plan (FEHBP)

The Blue Cross and Blue Shield Association (BCBSA) contracts with the United States Office of Personnel Management on behalf of the independent Blue Cross and Blue Shield Plans to provide health care coverage (including certain dental services) to Federal employees, postal employees and retirees who choose to enroll in one of two service benefits plan options - standard option and basic option.

5.2 Eligibility

Benefits are available to Federal employees who have elected coverage, retirees and their surviving spouses, family members, former spouses, Federal employee reservists who are on leave and certain members qualifying for temporary continuation of coverage. Please visit the United States Office of Personnel Management website for detailed descriptions about eligibility requirements: www.opm.gov.

5.3 Benefits

Verification of benefits can be obtained by calling the customer service number on the back of the member's ID card. Additionally, contact information can be found in **Chapter 2** of this e-manual. Dental providers should always verify a member's benefits and eligibility prior to providing any dental care services.

5.4 Additional online information

The service benefit plan handbook can be accessed on the Web at fepblue.org/benefitplans.

To learn more about the Federal Employees Program, dental providers can visit the following websites:

- + BCBSNC Federal Employees Program: bcbsnc.com/content/fep/index.htm
- + Federal Employees Program: fepbluedental.com
- + U.S. Office of Personnel Management: www.opm.gov/insure

5.5 FEP BlueDental®

BCBSNC participates in the Federal Employee Dental and Vision Insurance Program (FEDVIP) offering dental benefits. BCBSNC is one of many carriers available to Federal employees and retirees. Enrollees of the FEDVIP dental plan have a full range of dental benefits, including preventive, basic, major and orthodontia services. The FEDVIP dental plan, known as FEP Blue Dental, offers a choice of two (2) plan options (high plan and standard plan). FEP Blue Dental is a dental benefit program sanctioned by the Federal government for Federal employees and retirees. Dental providers should always verify a member's benefits and eligibility prior to providing any dental care services.

5.5.1 Exclusions and limitations

The exclusions list applies to all benefits. **Although we may list a specific service as a benefit, we will not cover it unless we determine it is necessary for the prevention, diagnosis, care, or treatment of a covered condition. Please reference Section 7.35 of this e-manual for important information regarding non-covered services.**

The following services are not covered:

- + Services and treatment not prescribed by or under the direct supervision of a dentist, except in those states where dental hygienists are permitted to practice without supervision by a dentist. In these states, we will pay for eligible covered services provided by an authorized dental hygienist performing within the scope of his or her license and applicable state law;
- + Services and treatment which are experimental or investigational;
- + Services and treatment which are for any illness or bodily injury which occurs in the course of employment if a benefit or compensation is available, in whole or in part, under the provision of any law or regulation or any government unit. This exclusion applies whether or not you claim the benefits or compensation.
- + Services and treatment received from a dental or medical department maintained by or on behalf of an employer, mutual benefit association, labor union, trust, VA hospital or similar person or group;
- + Services and treatment performed prior to your effective date of coverage;
- + Services and treatment incurred after the termination date of your coverage unless otherwise indicated;
- + Services and treatment which are not dentally necessary or which do not meet generally accepted standards of dental practice.
- + Services and treatment resulting from your failure to comply with professionally prescribed treatment;
- + Telephone consultations;
- + Any charges for failure to keep a scheduled appointment;
- + Any services that are considered strictly cosmetic in nature including, but not limited to, charges for personalization or characterization of prosthetic appliances;
- + Services related to the diagnosis and treatment of Temporomandibular Joint Dysfunction (TMD);
- + Services or treatment provided as a result of intentionally self-inflicted injury or illness;
- + Services or treatment provided as a result of injuries suffered while committing or attempting to commit a felony, engaging in an illegal occupation, or participating in a riot, rebellion or insurrection;
- + Office infection control charges;
- + Charges for copies of your records, charts or X-rays, or any costs associated with forwarding/mailling copies of your records, charts or X-rays;

- + State or territorial taxes on dental services performed;
- + Those submitted by a dentist, which is for the same services performed on the same date for the same member by another dentist;
- + Those provided free of charge by any governmental unit, except where this exclusion is prohibited by law;
- + Those for which the member would have no obligation to pay in the absence of this or any similar coverage.
- + Those which are for specialized procedures and techniques;
- + Those performed by a dentist who is compensated by a facility for similar covered services performed for members;
- + Duplicate, provisional and temporary devices, appliances, and services;
- + Plaque control programs, oral hygiene instruction, and dietary instructions;
- + Services to alter vertical dimension and/or restore or maintain the occlusion. Such procedures include, but are not limited to, equilibration, periodontal splinting, full mouth rehabilitation, and restoration for misalignment of teeth.
- + Gold foil restorations;
- + Treatment or services for injuries resulting from the maintenance or use of a motor vehicle if such treatment or service is paid or payable under a plan or policy of motor vehicle insurance, including a certified self-insurance plan;
- + Treatment of services for injuries resulting from war or act of war, whether declared or undeclared, or from police or military service for any country or organization;
- + Hospital costs or any additional fees that the dentist or hospital charges for treatment at the hospital (inpatient or outpatient);
- + Charges by the provider for completing dental forms;
- + Adjustment of a denture or bridgework which is made within six (6) months after installation by the same dentist who installed it;
- + Use of material or home health aids to prevent decay, such as toothpaste, fluoride gels, dental floss and teeth whiteners;
- + Cone Beam Imaging and Cone Beam MRI procedures;
- + Sealants for teeth other than permanent molars;
- + Precision attachments, personalization, precious metal bases and other specialized techniques;
- + Replacement of dentures that have been lost, stolen or misplaced;
- + Orthodontic services provided to a member who has not met the twelve (12) month waiting period requirement;
- + Repair of damaged orthodontic appliances;
- + Replacement of lost or missing appliances;
- + Fabrication of athletic mouth guard;
- + Internal and external bleaching;
- + Nitrous oxide;
- + Oral sedation;
- + Topical medicament center;
- + Bone grafts when done in connection with extractions, apicoectomies or non-covered/non-eligible implants;
- + When two (2) or more services are submitted and the services are considered part of the same service to one another the Plan will pay the most comprehensive service (the service that includes the other non-benefited service) as determined by FEP Blue Dental.
- + When two (2) or more services are submitted on the same day and the services are considered mutually exclusive (when one [1] service contradicts the need for the other service), the Plan will pay for the service that represents the final treatment as determined by this Plan.
- + All out-of-network services listed in **Chapter 5** are subject to the maximum allowable amount as defined by FEP Blue Dental. The member is responsible for all remaining charges that exceed the allowable maximum.

CHAPTER 6

GRID+

6.1 The National **GRID+** Dental Network

The National GRID+ Dental Network, administered by the GRID Dental Corporation (GDC)*, is a national dental network and includes many of the nation’s Blue plans. In addition, the GRID+ coordinates access to networks wherever local Blue plans do not participate.

6.2 Participation in the **GRID+** network

The following applies to dental providers participating with BCBSNC dental network.

- + Providers participating with the BCBSNC dental network are automatically included as a participating provider in the GRID+ network.
- + When members of other Blue plans are in North Carolina and searching for a participating dental provider, your practice will appear in the provider directory. This may assist you in growing your practice, should those members choose you as their dental provider.
- + In order to verify that a member of an out-of-state Blue plan qualifies as a “member” under your agreement, look for a “GRID+” indicator on the member’s Blue Cross and/or Blue Shield branded card or on the notification of payment. Claims processing, benefits, and customer service for these members will be handled by the out-of-state Blue plan that issued the card to the applicable member. Providers should reference the information on the back of the identification card.

6.3 Reimbursement

As a North Carolina participating provider, regardless of whether the patient is a BCBSNC member or a member of another participating plan, the fee schedule contracted under the BCBSNC agreement applies.

*GRID Dental Corporation is a separate company that provides access to dental networks and services on behalf of BCBSNC.

CHAPTER 7

Claims administration, billing and reimbursement

7.1 Administration of dental claims

With the implementation of the ACA mandated Pediatric Oral Health benefits, the processing of dental claims have become more complex. The following is a general guideline for dental claims processing:

- + Dental benefits such as preventive, basic or major care are typically covered under a member's dental benefit. BCBSNC utilizes the services of ACS Benefit Services, Inc. for the administration of claims for services covered under a member's supplemental dental policy.
- + Services such as Pediatric Oral Health benefits, medically necessary orthodontia or medically necessary dental reconstructive services are typically covered under the member's BCBSNC medical benefit. BCBSNC administers benefits for dental services covered under a member's medical plan.
- + Dental services covered under the Federal Employee Benefit Health Plan are handled through BCBSNC.

Note: Claims administration for the Federal Employee Program is handled through BCBSNC for both dental and medical services.

7.1.1 ACS Benefit Services, Inc. (ACS) – dental claims for services covered under a supplemental dental policy

BCBSNC utilizes the services of our wholly owned subsidiary ACS Benefit Services, Inc. (ACS), for the administration of customer service and claims processing for BCBSNC dental products. ACS is a third party administrator of self-funded medical and dental benefit plans. ACS has developed an advanced claims system for servicing the BCBSNC dental products, which allows ACS to process claims with extreme accuracy because benefits processing can be tailored for each employer group. ACS as our administrator for BCBSNC dental products maintains procedures, policies and guidelines for dental providers transacting dental business. This e-manual acts as a supplement to those procedures, policies and guidelines as determined by BCBSNC. In the event there is a discrepancy, BCBSNC rules and guidelines administered by ACS will supersede this e-manual.

7.1.2 Dental claims for services covered under a medical benefit/Pediatric Oral Health benefit

Effective January 1, 2014, dental provider contracts apply to medical services. BCBSNC under our health benefit plans provide benefits for services provided by a duly licensed doctor, doctor of dental surgery or doctor of dental medicine for diagnostic, therapeutic or surgical procedures, including oral surgery involving bones or joints of the jaw, when the procedure or dental treatment is related to one of the following conditions:

- + Accidental injury of the sound teeth, jaw, cheeks, lips, tongue, roof and floor of the mouth
- + Congenital deformity, including cleft lip and cleft palate
- + Removal of tumors, cysts which are not related to teeth or associate dental procedures
- + Tumors cysts exostoses for reasons other than for preparation for dentures

In addition, ACA mandated "Pediatric Oral Health Benefits" such as diagnostic and preventive, basic, major and medically necessary orthodontia are covered under the medical plan for certain members. If the patient does not have a BCBSNC medical benefit plan, submit Pediatric Oral Health electronic claims to Emdeon payer #61472.

BCBSNC administers these benefits through our advanced claims payment system. BCBSNC rules and guidelines will supersede this e-manual. Providers are encouraged to access the BCBSNC website bcbsnc.com to obtain copies of the procedures, policies and guidelines.

7.1.3 Medical vs dental

The table below provides further clarification regarding dental services covered under a member's BCBSNC supplemental dental policy and dental services covered under a member's BCBSNC medical policy.

Dental	Medical	Pediatric Oral Health Benefit
Dental procedures must be submitted using the ADA 2012 dental claim form	Medical procedures should be submitted using a HCFA-1500 medical claim form	Providers can submit an ADA 2012 claim form or HCFA-1500 medical claim form
Contact the toll-free number on the back of the member's dental ID card for questions relating to dental benefits.	Contact the toll-free number on the back of the member's medical ID card for questions relating to medical benefits.	Contact the customer service number on the back of the ID card for medical benefits.

Important note: Providers should always verify a member's individual benefits and coverage prior to rendering any dental service. The presentation of BCBSNC identification cards should not serve as a method for verifying a member's status or eligibility to receive dental benefits. In addition, all payments are subject to the terms of the contract under which the individual is eligible to receive benefits.

7.2 BCBSNC dental claims submission

BCBSNC accepts dental claims in the following formats: EDI (electronic data interchange) submissions via the Emdeon clearinghouse and paper claims.

Emdeon is the preferred and most efficient method.

An interactive paper claim form is available online. Using the bcbsnc-dental.com site, register and log in as a provider. (Refer to **Chapter 2** for instructions on registration.) You will then have access to the appropriate dental claim form for each of the dental products which include the correct mailing address.

7.3 National Provider Identifiers

BCBSNC requires that all electronically transmitted claims include billing and rendering NPI (national provider identifier) numbers. Providers with a Group NPI should list the Group NPI in box 49 of the claim form and the Individual NPI in box 54 (rendering provider). The Individual NPI will apply to box 49 and 54 for solo providers.

7.4 Emdeon clearinghouse

Dental providers are encouraged to submit their claims via Emdeon. Claims are received by BCBSNC through separate Emdeon payer numbers that identify product lines. Submitting claims using an incorrect payer ID number will delay processing. Always refer to the member's BCBSNC ID card to properly identify the correct plan and the correct Emdeon payer ID number:

- + 61472 – Federal employees/Pediatric Oral Health/medical-dental claims
- + 61473 – BCBSNC Dental Blue for Group/Individual/Senior plans and Dental Blue for Federal employees
- + 61474 – BCBSNC Dental Blue Select (group enrollment only)

7.5 NEA FastAttach™ and FastLook

Dental providers can send electronic attachments using FastAttach, made available from National Electronic Attachment Inc. (NEA). FastAttach enables dental providers to transmit electronic attachments in support of electronic claims via the internet. Attachments can also be stored for providers requesting the service. Attachments include: X-rays, lab reports, EOBs, narratives, OP reports, dental notes, perio-charts and most other documents required to process a claim.

Dental providers can receive additional information about FastAttach services and/or sign up for FastAttach, by calling **1-800-782-5150, option 2** or by visiting NEA on the Web at **www.nea-fast.com**. If signing up for FastAttach use, enter the promotional code of **BCBSNCZ1M** to receive special promotional information. Please note this is a promotional rate and subject to expiration.

Additionally, NEA offers the FastLook system, which gives providers one central site to view the attachment requirements for multiple payers (BCBSNC), as well as, other dental care payers. Using FastLook dental care providers can search by payer name and procedure code to determine what, or if any, attachments need to be sent to a member's payer plan. For more information about the FastLook system, please visit FastLook on the Web at **www.welcometonea.com** or call **1-800-782-5150, ext #2**.

Please note that costs and/or fees can be associated with the use of FastAttach and/or the FastLook systems. Dental providers enrolling for use of the NEA offered applications assume all associated expenses. See **Chapter 11** for specific details.

7.6 Paper claims

Claims for dental services must be submitted on the 2012 version of the American Dental Association (ADA) claim form. 2012 ADA claim forms may be purchased from a vendor or directly from the ADA by calling **1-800-947-4746** or visiting ADA on the Web at **www.ada.org**. Additionally, dental providers may download copies of the current pre-addressed and approved ADA forms from **bcbsnc-dental.com**.

7.7 Claim form completion

Dental claim forms must be submitted with all required fields complete, using acceptable data and coding sets needed to complete processing of a claim (please note that additional information may be requested). Claim submissions should report all rendered services and include procedure codes from the most current ADA Current Dental Terminology (CDT) user's manual.

All participating dental providers must submit claims within one hundred and eighty (180) days from the date of completion of the dental treatment. Below is a summary (not all-inclusive) of what's needed to comply with claims submission requirements:

- + Use of the 2012 version of the American Dental Association (ADA) claim form is required. Complete by following the 2012 ADA claim form instructions.
- + Essential data elements must be completed (essential data elements include, but are not limited to, place of service codes and procedure codes).
- + Claims must be completed using the ADA standard code set. Claims missing an essential data element or listing inappropriate code sets, or are otherwise illegible, will be returned.
- + Include necessary supporting documentation (i.e., X-rays and dental provider notes).
- + Claim forms must include the member's name and ID number (including alpha prefix and suffix) and patient's date of birth.
- + The dental provider's identifying information and the location where service was provided must be clearly identified on the claim form.
- + A date of service must be provided on the claim form for each service line submitted.
- + Each separate (individual calendar date) of service must be submitted as a single claim. Individual claims may not span dates of service with the exception of certain orthodontia services.
- + List all quadrants, tooth numbers and surfaces for dental codes that necessitate identification (extractions, root canals, amalgams and resin fillings). Failure to provide tooth and surface identification codes can result in the delay or denial of claims payment.

ADA American Dental Association®

America's leading advocate for oral health

The following information highlights certain form completion instructions. Comprehensive ADA Dental Claim Form completion instructions are printed in the CDT manual. Any updates to these instructions will be posted on the ADA's web site (ADA.org).

GENERAL INSTRUCTIONS

- A. The form is designed so that the name and address (Item 3) of the third-party payer receiving the claim (insurance company/dental benefit plan) is visible in a standard #9 window envelope (window to the left). Please fold the form using the 'tick-marks' printed in the margin.
- B. Complete all items unless noted otherwise on the form or in the CDT manual's instructions.
- C. Enter the full name of an individual or a full business name, address and zip code when a name and address field is required.
- D. All dates must include the four-digit year.
- E. If the number of procedures reported exceeds the number of lines available on one claim form, list the remaining procedures on a separate, fully completed claim form.

COORDINATION OF BENEFITS (COB)

When a claim is being submitted to the secondary payer, complete the entire form and attach the primary payer's Explanation of Benefits (EOB) showing the amount paid by the primary payer. You may also note the primary carrier paid amount in the "Remarks" field (Item 35). There are additional detailed completion instructions in the CDT manual.

DIAGNOSIS CODING

The form supports reporting up to four diagnosis codes per dental procedure. This information is required when the diagnosis may affect claim adjudication when specific dental procedures may minimize the risks associated with the connection between the patient's oral and systemic health conditions. Diagnosis codes are linked to procedures using the following fields:

- Item 29a – Diagnosis Code Pointer ("A" through "D" as applicable from Item 34a)
- Item 34 – Diagnosis Code List Qualifier (B for ICD-9-CM; AB for ICD-10-CM)
- Item 34a – Diagnosis Code(s) / A, B, C, D (up to four, with the primary adjacent to the letter "A")

PLACE OF TREATMENT

Enter the 2-digit Place of Service Code for Professional Claims, a HIPAA standard maintained by the Centers for Medicare and Medicaid Services. Frequently used codes are:

11 = Office; 12 = Home; 21 = Inpatient Hospital; 22 = Outpatient Hospital; 31 = Skilled Nursing Facility; 32 = Nursing Facility

The full list is available online at "www.cms.gov/PhysicianFeeSched/Downloads/Website_POS_database.pdf"

(Note: This is the total number of months from the beginning to the end of the treatment plan. Some versions of the paper claim form incorrectly include the word "Remaining" at the end of this data element's name).
	BOX 43	Replacement of Prosthesis?	<p>This box applies to crowns and all fixed removable prostheses (e.g., bridges and dentures). Please review the following 3 situations in order to determine how to complete this item.</p> <ul style="list-style-type: none"> a If the claim does not involve a prosthetic restoration mark "NO" and proceed to Box 45. b If the claim is for the initial placement of a crown, or a fixed or removable prosthesis, mark "NO" and proceed to Box 45. c If the patient has previously had these teeth replaced by a crown, or a fixed or removable prosthesis, or the claim is to replace an existing crown, mark the "YES" field and complete Box 44.

Continued on the following page.

BOX 44	Date of Prior Placement (MM/DD/CCYY):	Complete if the answer to Box #43 was "YES".
BOX 45	Treatment Resulting From:	If the dental treatment listed on the claim was provided as a result of an accident or injury, mark the appropriate box in this item, and proceed to Boxes #46 and #47. If the services you are providing are not the result of an accident, this Box does not apply; skip to Box #48.
BOX 46	Date of Accident (MM/DD/CCYY):	Enter the date on which the accident noted in Box #45 occurred. Otherwise, leave blank.
BOX 47	Auto Accident State:	Enter the state in which the accident noted in Box #45 occurred. Otherwise, leave blank.

6	The "Billing Dentist" or "Dental Entity" section provides information on the individual dentist's name, the name of the practitioner providing care within the scope of their state licensure, or the name of the group practice/corporation that is responsible for billing and other pertinent information. Depending on the business relationship of the practice and the treating dentist, the information provided in this section may not be the treating dentist.	
BOX 48	Name, Address, City, State, Zip Code:	Enter the name and complete address of a dentist or the dental entity (corporation, group, etc.).

7	Enter the appropriate NPI type for the billing entity. A Type 2 NPI is entered when the claim is being submitted by an incorporated individual, group practice or similar legally recognized entity. Unincorporated practices may enter the individual practitioners Type 1 NPI.	
BOX 49	NPI (National Provider Identifier):	

NOTE: The NPI is an identifier assigned by the Federal government to all providers considered to be HIPAA covered entities. Dentists who are not covered entities may elect to obtain an NPI at their discretion, or may be enumerated if required by a participating provider agreement with a third-party payer, or applicable state law/regulation.

An NPI is unique to an individual dentist or dental entity, and has no intrinsic meaning. There are 2 types of NPI available to dentists and dental practices:

- + Type 1 Individual Provider - All individual dentists are eligible to apply for Type 1 NPIs, regardless of whether they are covered by HIPAA.**
- + Type 2 Organization Provider - A health care provider that is an organization, such as a group practice or corporation. Individual dentists who are incorporated may enumerate as Type 2 providers, in addition to being enumerated as a Type 1. All incorporated dental practices and group practices are eligible for enumeration as Type 2 providers.**

BOX 54

NPI (National Provider Identifier):

Enter the treating dentist's Type 1 – Individual Provider NPI in Box # 54. (See Box #49 for more NPI information.)

7.10 Required identifying information

- + Member's name, BCBSNC identification number (including alpha prefix and suffix) and date of birth must be listed on all claims submitted. If the member's identification number is missing or miscoded on the claim form, the patient cannot be identified. This could result in the claim being returned to the submitting provider's office, causing a delay in payment. The member's ID is located on the member's BCBSNC identification card. (Do not use "nick names" when submitting claims.)
- + **The rendering and billing office must be clearly identified on the claim.** Please include a typed dentist (practice) name, NPI and tax identification number for both the rendering provider and the billing entity. The provider name, tax ID and billing address must match the provider's contract with BCBSNC.
Note: Providers with a Group NPI number should list the Group NPI number in field forty-nine (49) and the individual NPI number in box fifty-four (54) (rendering provider). The individual NPI will apply to box forty-nine (49) and fifty-four (54) for solo providers.
- + The date of service must be provided on the claim form for each service line submitted.
- + Use approved ADA dental codes as published in the current CDT book.
- + Claims must be submitted within one hundred and eighty (180) days of the date of service.
- + List all quadrants, tooth numbers and surfaces for dental codes that necessitate identification (extractions, root canals, amalgams and resin fillings). Failure to provide tooth and surface identification codes can result in the delay or denial of claim payment.

Note: The **Blue Book**SM Dental e-Manual, available at bcbsnc.com/content/providers/blue-book.htm, offers additional information about medical/dental and pediatric billing.

7.11 Documentation, treatment plans, charting and X-rays

Please send only copies of X-rays or readable images. X-rays will not be returned.

Dental providers can send electronic attachments using FastAttach available on the Web at nea-fast.com/.

For a listing of CDT specific codes and corresponding documentation that can be accepted by NEA for transmission per BCBSNC coverage plan type, please see **Chapter 11** of this e-manual.

7.12 Postage

Affix the proper postage when mailing bulk documentation to BCBSNC. BCBSNC does not accept postage due mail. This mail will be returned to the sender and will result in delay of processing and payment.

7.13 Timely filing of claims

To be eligible for payment, claims must be received no later than one hundred and eighty (180) days of the date of service. Participating dental providers may not collect, or attempt to collect payment from BCBSNC members for any claim that was not submitted within the one hundred and eighty (180) day time period.

7.14 Dental coding terminology, dental procedures and nomenclature

Dental providers should report services using codes found in the most current edition of the Current Dental Terminology (CDT) manual. The CDT manual is published by the American Dental Association (ADA) for reporting services for treatment. The existence of a procedure code does not guarantee coverage; the benefit is determined based on the member's contract. The CDT manual can be purchased directly from the ADA by calling **1-800-947-4746** or by accessing their website at **www.ada.org**.

7.14.1 Deletion and addition of ADA codes

Once the ADA deletes codes, we will no longer accept the codes as of the effective date of the deletion. Submitted claims will be rejected or returned to the provider's office. All new ADA codes added will be considered at 80% of charge until adequate data is obtained for fair pricing.

7.15 Dental claims processing

In an effort to process claims accurately and consistently, ACS as our claims processing administrator has developed processing standards that represent current community standards of dental care and are derived through consultation with dental practices, academic communities and current scientific literature. These standards are supported by system edits designed to adjudicate claims efficiently and accurately based on the member's contract. These edits use the most cost-effective, clinically appropriate claim reimbursement, based on clinical standards and contractual limitations.

7.16 Mutually exclusive edits

Mutually exclusive edits are designed to identify the billing for two (2) or more procedures that by dental care standards would not usually be billed for the same patient, on the same date of service.

Procedure Code	Description	Limitations and Exclusions
0120, 0140, 0145, 0150, 0171, 0180	Oral Evaluations	2 or more of these codes should not be submitted on the same date of service
0220, 0230	X-rays	No coverage if submitted with a code of 0330
1110	Prophylaxis	No coverage if submitted on same DOS, same tooth or quadrant as a crown exposure, gingival flap procedure, crown lengthening, osseous surgery, bone grafts, biologic materials, guided tissue regeneration, debridement
2960, 2961, 2962	Veneers	No coverage if there is a history of 27xx or 67xx on the same tooth
3310, 3320, 3330, 3346, 3347, 3348, 3332	Root canals and retreatments	No coverage if same date as an extraction of the same tooth
3331	Root canal obstruction	No coverage when submitted on the same date as a root canal therapy or root canal retreatment
3346, 3347, 3348	Root canal retreatments	No coverage for root canal retreatment when submitted with an apicoectomy
4270, 4273, 4275, 4276, 4277, 4278	Soft tissue grafts	No coverage if submitted with 7340, 7350, 7955, 7963 on the same tooth or the same area
4341, 4342	Scaling and root planning	No coverage when submitted on same DOS, same tooth or quadrant as a crown exposure, gingival flap procedure, crown lengthening, osseous surgery, bone grafts, biologic materials, guided tissue regeneration, debridement
4381	Antimicrobial agent	No coverage when submitted on the same date of service as periodontal surgery
7140	Non-surgical extraction	No coverage if submitted on same tooth, same DOS with root amputation, endosseous implant, hemisection, or coronectomy
7310, 7311	Alveoloplasty	No coverage if submitted on same date of service and same area as 7111 or 7220-7251
7960, 7963	Frenulectomy and frenuloplasty	No coverage if submitted with soft tissue grafts in same area, same date of service

Note: This list, while meant to be comprehensive, may not list every procedure.

7.17 Unbundling/bundling edits

Unbundling occurs when two or more procedures are used to describe a service for which a single, more comprehensive procedure exists that more accurately describes the complete service performed.

7.17.1 Unbundling

Unbundled procedures will be re-bundled to the correct CDT procedure.

Procedure Code	Description	Limitations and Exclusions
4240, 4241	Gingival flap procedure	No coverage if performed on the same date/same area as 3410, 3421, 3425, 3426, 3450, 3920, 4230, 4231, 4249, 4260, 4261, 4274, 60xx, 7140, 7210, 7220, 7230, 7240, 7241, 7250, 7251, 7350, 7471, 7473, 7485, 7970, 7971, 7972
4260, 4261	Osseous surgery	No coverage if performed on same date of service, same area as implants, extractions, excision, or surgical reduction
7485	Surgical reduction of osseous tuberosity	No coverage if submitted with osseous surgery
7970, 7971, 7972	Excision of hyperplastic tissue or pericoronal gingiva and reduction of fibrous tuberosity	No coverage if submitted on the same date of service and area as a restoration, crown, veneer, gingivectomy, crown exposure, gingival flap, crown lengthening, osseous surgery, wedge, implants, extractions, removal of root, or coronectomy

Note: This list, while meant to be comprehensive, may not list every procedure.

7.17.2 Bundled procedures

Restorative services performed on the same tooth/same day are combined into the code with the highest number of services due to benefit restrictions. Please refer to the dental claims processing section (**Section 7.14**) for more information.

Procedure Code	Description
2140	Amalgam restorations – 1 surface, permanent
2150	Amalgam restorations – 2 surfaces, permanent
2160	Amalgam restorations – 3 surfaces, permanent
2161	Amalgam restorations – 4 or more surfaces, permanent
2330	Resin-based composite restorations – 1 surface, anterior
2331	Resin-based composite restorations – 2 surfaces, anterior
2332	Resin-based composite restorations – 3 surfaces, anterior
2335	Resin-based composite restorations – 4 or more surfaces or involving incisal angle (anterior)
2390	Resin-based composite crown, anterior
2391	Resin-based composite – 1 surface, posterior
2392	Resin-based composite – 2 surfaces, posterior
2393	Resin-based composite – 3 surfaces, posterior
2394	Resin-based composite – 4 or more surfaces, posterior

Note: This list, while meant to be comprehensive, may not list every procedure.

7.18 Incidental and integral

Incidental and integral services are defined as procedures carried out at the same time as a primary procedure, which are clinically integral/necessary to the performance of the primary procedure. Additional reimbursement is not provided for incidental procedures, as they are included in the allowance for the primary procedure.

Procedure Code	Description	Limitations and Exclusions
0210 to 0290	X-rays	No coverage if submitted on the same claim as 9430 and 9440
9120	Fixed partial denture sectioning	No coverage if submitted with a 7140 or 7210

Note: This list, while meant to be comprehensive, may not list every procedure.

7.19 Alternate benefits

Clinical situations that can be effectively treated by a more cost-effective, clinically acceptable alternative procedure will be assigned a benefit based on the less costly procedure. Please refer to the benefit exclusions and limitations section (dental benefits chapter) for additional information.

Procedure Code	Description	Dental Limitations and Adjudication
2331 (DL, DB, DF, ML, MB, MF surfaces only - in any order)	Anterior Composites	Coverage is restricted for a two-surface anterior proximal restoration to an alternate benefit of a one (1) surface restoration when there is only an access surface for the lingual or facial (only the decayed proximal surface is benefited).
2332 (MFL, MBL, DFL, DBL surfaces only - in any order)	Anterior Composites	Coverage is restricted for a three-surface anterior proximal restoration to an alternate benefit of a one (1) surface restoration when there is only an access surface for the lingual or facial (only the decayed proximal surface is benefited).

The procedures listed below will be reimbursed at the restoration level of noble metal procedure:

Procedure Code	Description
2140	Amalgam restorations – 1 surface, permanent
2150	Amalgam restorations – 2 surfaces, permanent
2160	Amalgam restorations – 3 surfaces, permanent
2161	Amalgam restorations – 4 or more surfaces, permanent
2330	Resin-based composite restorations – 1 surface, anterior
2331	Resin-based composite restorations – 2 surfaces, anterior
2332	Resin-based composite restorations – 3 surfaces, anterior
2335	Resin-based composite restorations – 4 or more surfaces or involving incisal angle (anterior)
2390	Resin-based composite crown, anterior
2391	Resin-based composite – 1 surface, posterior
2392	Resin-based composite – 2 surfaces, posterior
2393	Resin-based composite – 3 surfaces, posterior
2394	Resin-based composite – 4 or more surfaces, posterior

Procedure Code	Description
2410	Gold foil restorations – 1 surface
2420	Gold foil restorations – 2 surfaces
2430	Gold foil – 3 surfaces
2510	Inlay restorations – metallic – 1 surface
2520	Inlay restorations – metallic – 2 surfaces
2530	Inlay restorations – metallic – 3 surfaces
2542	Onlay – metallic – 2 surfaces
2543	Onlay restoration – metallic – 3 surfaces
2544	Onlay restoration – metallic – 4 or more surfaces
2720	Crown restorations – resin with high noble metal
2750	Crown restorations – porcelain fused to high noble metal
2780	Crown restorations – 3/4 cast high noble metal
2790	Crown restorations – full cast high noble metal
6059	Abutment supported porcelain fused to metal crown (high noble metal)

Continued on the following page.

Procedure Code	Description
6062	Abutment supported cast metal crown (high noble metal)
6072	Abutment supported cast metal crown (high noble metal)
6210	Fixed partial denture pontic – cast high noble metal
6240	Fixed partial denture pontic – porcelain fused to high noble metal
6250	Fixed partial denture pontic – resin with high noble metal
6610	Onlay – cast high noble metal – 2 surfaces
6611	Onlay – cast high noble metal – 3 or more surfaces
6720	Fixed partial denture retainer – crown – resin with high noble metal
6750	Fixed partial denture retainer – crown – porcelain fused to high noble metal
6780	Fixed partial denture retainer – crown – 3/4 cast high noble metal
6790	Fixed partial denture retainer – crown – full cast high noble metal

Note: This list, while meant to be comprehensive, may not list every procedure.

7.20 Other reimbursement limitations

Procedure Code	Description	Dental Limitations and Adjudication in Addition to Benefit Restrictions
2932	Prefabricated resin crown	Anterior primary teeth only
2933	Prefabricated stainless steel crown with resin window	Anterior primary teeth only
2934	Prefabricated esthetic coated stainless steel crown – primary tooth	Anterior primary teeth only
2950	Core build-up, including any pins	May not be billed in addition to 02140-02161 or 02330-02394 within 3 years
4381	Localized delivery of chemotherapeutic agents via controlled release vehicle into diseased crevicular tissue, per tooth	Must have history of 04341 performed in the same tooth range, once per site per 24 months
5860	Overdenture – complete, by report	Reimbursed at the level of complete dentures and included in frequency limitation of once per 8 years
5861	Overdenture – partial, by report	Reimbursed at the level of partial dentures and included in frequency limitation of once per 8 years
5410	Adjust complete denture – maxillary	No benefits within the first 12 months after insertion, maximum of 2 adjustments per year
5411	Adjust complete denture – mandibular	No benefits within the first 12 months after insertion, maximum of 2 adjustments per year
5421	Adjust partial denture – maxillary	No benefits within the first 12 months after insertion, maximum of 2 adjustments per year
5422	Adjust partial denture – mandibular	No benefits within the first 12 months after insertion, maximum of 2 adjustments per year
5670	Replace all teeth and acrylic on cast metal framework, maxillary	Included in frequency limitation of complete and partial dentures, once per 8 years
5671	Replace all teeth and acrylic on cast metal framework, mandibular	Included in frequency limitation of complete and partial dentures, once per 8 years
7510	Incision/drain abscess – intraoral	If the tooth is removed, then this procedure is considered incidental

Continued on the following page.

Procedure Code	Description	Dental Limitations and Adjudication in Addition to Benefit Restrictions
7511	Incision/drain abscess – intraoral soft tissue	If the tooth is removed, then this procedure is considered incidental
9440	Office visit – after regularly scheduled hours	Cannot be submitted on the same day as a problem – focused exam
9942	Repair and/or reline of occlusion guard	Allowed only once per year after 12 months from receipt of guard
9950	Occlusion analysis – mounted case	Once per 5 years
9951	Occlusal adjustment – limited	Once every 24 months, cannot be billed with 9952 or 9971
9952	Occlusal adjustment – complete	Once per 5 years, cannot be billed with 9951 or 9971

Note: This list, while meant to be comprehensive, may not list every procedure.

7.21 Follow-up care

Procedures should be performed based on dental necessity and as appropriate in the diagnosis, treatment and care of the member’s condition. Treatment rendered for the following is not eligible for benefits:

- + Cosmetic reasons
- + Member convenience
- + Services not meeting standards of care

Additionally, the following limitations and exclusions apply for post-operative visits for periodontal and oral surgery:

Procedure Code	Description	Limitations and Exclusions
0120, 0140, 0170	Oral evaluations	No coverage if evidence that a post-op for periodontal or oral surgery is being billed as an oral evaluation
9430, 9440	Office visit for observation	No coverage if evidence that a post-op for periodontal or oral surgery is being billed as an oral evaluation

* This list, while meant to be comprehensive, may not list every procedure.

7.22 Standard dental benefits limitations

The table below provides a general overview of standard dental benefits limitations. It is important to remember that benefit allowances are subject to the terms and limitations of the member's eligibility and benefits at the time a service is provided. Providers are encouraged to always verify a member's benefits and eligibility in advance of providing services.

Benefits	Standard Dental Benefit Limitations
Oral evaluations periodic, limited, detailed or problem focused comprehensive oral or periodontal	twice per benefit period limit one per provider
Consultations	twice each benefit period
Cleaning prophylaxis, including scaling and polishing above the gum line	twice each benefit period
X-rays + full mouth or panoramic + supplemental bitewings – X-rays showing the back teeth/periapical and occlusal X-ray of a tooth + vertical bitewings, associated with periodontics + extraoral	limited to members ages 6 and older limited to once every 3 years maximum of 4 films per benefit period limit of 1 set per benefit period
Pulp-testing evaluation of tooth nerve, regardless of the number of teeth tested	2 films per benefit period
Topical fluoride, up to age 18	limited to 1 charge per visit
Palliative emergency treatment for relief of pain only	twice per benefit period
Sealants for first and second permanent molars	twice per benefit period for members 6 through 15 one reapplication per tooth every 5 years
Space maintainers	limited to dependents through age 15
Periodontal maintenance following active periodontal therapy	twice each benefit period
Routine fillings to restore diseased teeth Composite Amalgam	limit of 1 restoration per tooth every 2 years, unless new decay appears
Stainless steel crowns + primary posterior + primary anterior + permanent	one per tooth per lifetime one per tooth every three years one per tooth every 8 years

Continued on the following page.

Benefits	Standard Dental Benefit Limitations
Endodontics endodontic therapy	one per tooth/root per lifetime once per lifetime after 12 months from initial treatment
Occlusal guard, for treatment of bruxism only	once every 5 years
Denture relining done more than 6 months after the initial insertion	once every 2 years
Crown, partial and complete denture repairs and addition of teeth to existing partial dentures	limited to repairs or adjustments done after 12 months following the initial insertion
Rebasing of complete and partial dentures done more than 5 years after the initial insertion	once every 5 years
Replacement of broken teeth on partial or complete denture	once per tooth every 3 years
Periodontics	once per tooth every 3 years per site or quadrant

Full mouth debridement	once every 5 years
Provisional splinting	once every 3 years
Periodontal maintenance following active periodontal therapy	twice each benefit period
Inlays, onlays, crowns, covered only when a filling cannot restore the tooth	1 restoration per tooth every 8 years
Complete, fixed, removable partial dentures	once every 8 years, no additional allowances for over-dentures or customized dentures
Tissue conditioning done more than 6 months after initial insertion or rebasing or relining	once per 12 months per prosthesis

Continued on the following page.

Benefits	Standard Dental Benefit Limitations
<p>Complex oral surgery</p> <ul style="list-style-type: none">+ oroantral fistula closure/closure of sinus perforation/surgical access of unerupted tooth/process to aid eruption+ transseptal fiberotomy+ alveoplasty/vestibuloplasty/removal of exostosis/excision of hyperplastic tissue or pericoronal gingival+ incision and drainage of intraoral abscess+ frenulectomy	<p>once per tooth</p> <p>once per tooth</p> <p>once per site every 3 years</p> <p>once per site every 3 years</p> <p>once per site per lifetime</p>

7.23 General criteria

Procedures should be performed based on dental necessity and as appropriate in the diagnosis, treatment and care of the member's condition. Treatment rendered for cosmetic reasons, member convenience or services that do not meet standards of care are not eligible for benefits. See page 7-24, **Section 7.35**.

7.24 Utilization management review – P&R Dental Strategies, Inc.

P&R Dental Strategies, Inc. is an industry leader in dental utilization management services that offers a comprehensive set of solutions to support the business needs of dental benefit payers. BCBSNC has entered into an agreement with P&R Dental Strategies, Inc. to facilitate utilization management and review services for our dental programs.

Although P&R Dental Strategies, Inc. is based in New York, dentists who are reviewing the claims are licensed in North Carolina. If you receive a letter requiring additional information, please send the information directly to P&R Dental Strategies, Inc. at the address on the letter. Sending it to the normal claims address will delay the review.

Note: BCBSNC's agreement with P&R Dental Strategies, Inc. does not impact claims processed under a member's medical benefit.

7.25 Dental (CDT) accidental procedure codes

Claims coded with (CDT) accidental procedure codes are processed under the member's medical coverage instead of their dental coverage. Oral surgical services and services rendered as a result of an accidental injury must be reported on the most current version of the American Dental Association (ADA) claim form. Services not covered under the dental plan should be submitted to the member's medical plan using a CMS-1500 claim form.

7.26 Dental-medical claims CPT/HCPC

Claims for “dental-medical” (dental related services that fall under a patient’s medical benefit), such as accidental injury and/or TMJ services, should be filed to BCBSNC (or the patient’s medical benefit carrier) using the most current version of the CMS-1500 claim form. Essential data elements must be completed.

Essential data elements include, but are not limited to, place of service codes and procedure codes (including modifiers if applicable). Claims must be completed using CPT and/or HCPC standard code sets. Claims missing an essential data element or that use an inappropriate code or are otherwise illegible will be returned.

BCBSNC accepts medical service claims when filed using the CMS-1500 paper claim form and when filed electronically. If sending a paper claim form to BCBSNC, please submit to the medical claims address listed on the member’s BCBSNC identification card. Providers electing to transmit claims electronically for medical services can obtain resources and required forms on the BCBSNC electronic solutions website located at bcbsnc.com/content/providers/edi/bluee/signingup.htm.

Please note that all electronic senders of claims for medical services will need to sign and submit a Blue Cross and Blue Shield of North Carolina trading partner agreement and an electronic connectivity request form or a **Blue eSM** interactive network agreement available from the BCBSNC website located at bcbsnc.com/content/providers/edi/bluee/signingup.htm.

If you are signed up for **Blue eSM** and need to add users to your account, visit us at bcbsnc.com/content/providers/edi/bluee/signingup.htm.

7.27 Accidental injuries, Pediatric Oral Health and dental-medical for out-of-state members

BCBSNC can accept claims for Blue Cross and/or Blue Shield member’s having medical benefits coverage from a Blue Cross and/or Blue Shield plan other than BCBSNC, when services are provided for accidental injuries or other services that qualify under the out-of-state member’s medical benefit plan.

- + Send claims for “dental-medical” services provided to out-of-state Blue Cross and/or Blue Shield Plan members to:
Blue Cross Blue Shield of North Carolina
PO Box 35
Durham, NC 27702

Questions about claims filed for out-of-state members should be placed by calling **1-800-487-5522**. Dental providers can also verify an out-of-state Blue Cross and/or Blue Shield plan member’s medical eligibility or benefits by calling **1-800-676-BLUE (2583)**.

- + The Pediatric Oral Health process dictates that claims are processed by the specific plan and does not flow through the current IPP process.

7.28 Payment guidelines

Providers are notified of payment determination via messages contained on the notification of benefit (NOB). For example, a message will appear when services that are considered incidental to the primary service are not eligible for separate reimbursement.

7.29 Payment for covered services only

Participating dental providers are eligible for payment, only when, the services provided are clinically necessary and covered as part of the member's benefit plan. The issuance of the member's benefit payment amount is considered payment in full, with the exception of any applicable deductible, coinsurance, and/or copayment amounts.

7.30 Appeals and review of benefit determinations

Please contact BCBSNC Dental Blue® customer service for assistance with making a request for appeal or benefit determination review. Please use the call center appropriate for the member's benefit coverage type as outlined in **Chapter 2** of this e-manual.

7.31 Billing BCBSNC members

Participating providers agree not to bill members for services until after receipt of the BCBSNC issued notification of benefits, except for member's copayments. Member's copayment amounts, when applicable, are listed on the member's BCBSNC identification card. **However, dental providers may bill BCBSNC members prior to the receipt of the Notification of Benefits (NOB) for services verified in advance as non-covered.** Any amounts that both you and the member agree were collected erroneously for any reason must be refunded to the member within forty-five (45) days of the receipt of the NOB or your discovery of the error.

7.32 Payment options

BCBSNC offers two (2) available payment options to participating providers. Please see the table below for details regarding QuicRemit and electronic funds transfer payment options.

BCBSNC Dental Payment Options		
Option	Summary	Details
QuicRemit	A fax is sent to your office containing a virtual MasterCard with a number unique to your payment transaction. You will receive a detailed explanation of payment in the fax along with the card number.	<ul style="list-style-type: none"> + The amount of credit is for the total due for claims processed during that cycle for all BCBSNC Dental Blue and Dental Blue Select members. + Normal MasterCard debit transaction fees apply. This normally ranges from 2-4% of total payments based on the agreement between your office and your card vendor. + Payments are received 2-5 days earlier than paper checks since there are no print and mail delays. + If the card transaction is not processed within 30 days, the virtual MasterCard debit transaction will be voided and a paper check will automatically be sent to your office. + You can “opt out” of this payment option at any time by calling BCBSNC at 1-800-305-6638. If you “opt out”, all future payments will be delivered via EFT. + If you have employees processing payments from remote locations, this may not be a viable option since they would need access to the credit card terminal.
EFT / ACH	Your office receives payment via electronic funds transfer (EFT) when you provide your banking account information. View the “Authorization and Guarantee Agreement” form at bcbsnc-dental.com/dbs_doclib/Echo%20ACH%20form.pdf	<ul style="list-style-type: none"> + Normal banking transaction fees apply. + Payments are received 2-5 days earlier than paper checks since there are no print and email delays. + Payment information delivered via secure website with email notification of new data available.

Important note: Members receive payments directly when services are rendered by a non-participating provider.

7.33 Amounts billable to members

Providers may collect any applicable copayments at the time service is rendered. Any applicable coinsurance and/or deductible amounts may be collected from BCBSNC members only after receipt of the notification of benefits. **Amounts for non-covered services may only be collected if they meet the criteria outlined in the instructions for the hold harmless provision as contained in Section 7.37 of this e-manual.** Any amounts collected erroneously by a dental care provider, from a member, for any reason, shall be refunded to the member within forty-five (45) days of the error being identified.

7.34 Amounts not billable to members

Participating providers may not collect any payments from members for covered services, except for any applicable copayment, coinsurance and deductible amounts. Participating providers may not balance bill BCBSNC members for the difference between billed charges and the amount allowed on the notification of benefits for a processed claim. Any differences between a dental provider's charges and the allowed amount are considered contractual adjustments and are not billable to members. Participating providers may not seek payment from either members or BCBSNC if a proper claim has not been submitted to BCBSNC within one hundred and eighty (180) days of the date a service is rendered. Participating providers charging fees for administrative services, such as paper work completion or furnishing clinical records may not bill BCBSNC members for these fees.

7.35 Billing members for non-covered services

Sometimes a dental provider may be asked by a member to provide services that are not covered by the member's benefit plan. Only under the following conditions may the provider bill the member for such services:

- + The provider informs the member in advance of providing the service, in a written notification, that the specific service might not be covered.
- + The member signs a written acknowledgment that he/she received such notification prior to receiving the specific service at issue. That notification must inform the member that the particular service at issue may not be covered.
- + The member also acknowledges in advance and in writing that he/she has chosen to have the service at issue and if it is indeed not covered, the member is responsible for the expense and will pay the dental provider directly.
- + The written notice regarding a particular service must be specific, defining the exact treatment of care being provided to the member. It is not acceptable to use a generic release form with a general statement regarding member's obligations to pay for non-covered services.

7.36 Coordination of benefits

When a member is covered by more than one (1) coverage plan, one plan must be designated as primary and the other as secondary. Coordination of benefits (COB) logic is used to determine which plan pays first on the claim.

If BCBSNC is primary and another insurance plan is secondary, use the following guidelines:

- + Any prior approval and/or certification requirements must be followed according to the member's BCBSNC plan.
- + File a claim first with BCBSNC. The secondary plan may be billed any copayment, coinsurance and/or deductible amounts and for services not covered under the BCBSNC member's benefit plan.

If BCBSNC is secondary, use the following guidelines:

- + Any prior approval and/or certification requirements must be followed according to the member's BCBSNC plan.
- + File a claim with the primary plan first, after the primary plan pays its benefits, then file the secondary claim along with the primary payment information to BCBSNC.

BCBSNC and our member's combined liability are limited to the BCBSNC contractual allowed amount. The contract between the provider and BCBSNC allows that benefits will be coordinated up to the contractual allowance. Disallowed amounts and/or services cannot be billed to the member.

Pediatric Oral Health benefits covered under the health plan will always be considered primary. Stand-alone dental will be considered secondary. Coordination of benefits rules will apply.

7.37 Hold harmless provision

Providers agree not to bill or otherwise hold members, BCBSNC or any third party responsible for payment for services and/or supplies provided to members, which are determined not to be clinically necessary and/or not eligible under the member's benefit plan, except when the following conditions shall have been met:

- + The dental provider obtained prior authorization or certification in advance of providing the specific services and/or supplies to the member – and/or – the dental provider gave specific written notification to the member in advance of providing the non-medically necessary services or other non-covered services, explaining that such service might not be covered under the member's benefit plan; and the member signed a written authorization stating that:
 - The member received from the provider notification that the specific services and/or supplies may not be covered by his or her benefit plan.
 - The member received the notification prior to receiving the specific services and/or supplies.
 - The notification informed the member that the particular services and/or supplies, if not covered by member's benefit plan, are provided at the member's own expense, if the member elects to receive the specific services and/or supplies.
 - The provider obtained the member's written authorization prior to rendering the specific services and/or supplies.
 - The member's authorization includes that such services and/or supplies may not be covered by his or her benefit plan and the member agrees to pay for such services and/or supplies apart from his or her benefit plan.
 - The member's authorization specifies that the member elects to receive such services and/or supplies at the member's own expense and the provider has obtained the member's written authorization.
 - The notification by the provider and the authorization by the member, as set forth in the agreement, shall be given regarding a particular service at issue in the specific treatment of a member and not as a matter of general or standard procedure in all cases.

Dental providers agree to provide BCBSNC and/or ACS with a copy of any and all such written authorizations upon request. Please refer to your dental care practice's contractual agreement with BCBSNC to review the hold harmless provision and how the provision applies. If you have questions regarding the hold harmless provision, please contact your regional BCBSNC Network Management representative at **1-800-777-1643**.

CHAPTER 8

**Pre-treatment estimates
and prior approval**

8.1 Pre-treatment estimate of benefits

A pre-estimate of benefits is a request made prior to a procedure being performed, to verify benefits and clinical appropriateness of a procedure. This allows both the dental care provider and the patient to make an informed decision of potential coverage for a given procedure in advance.

When the charges from a dentist for a proposed course of treatment are expected to be over \$250, a pre-treatment estimate of benefits is **strongly recommended** before any services are performed. The member or the dentist can make a request for a pre-treatment estimate of benefits (however, certain procedural and dental necessity information will most often be needed from the dental provider rendering care). Once received, the information will be reviewed and a pre-treatment estimate of benefits will be provided.

When requesting a pre-estimate of benefits, please send a written request along with any supporting documentation to the claims mailing address that's listed on the member's identification card, or use the claims mailing information located in **Chapter 2** of this e-manual.

Pre-treatment requests for a specific diagnosis or procedure must be submitted in writing. This chart provides information regarding required documentation needed before a pre-treatment estimate of benefits can be determined:

Description	Information Required for Claims Processing
Single Unit Fixed Restorations	
Crowns Build-ups Post and cores	Pre-operative X-ray(s)
Periodontics	
Root planning and osseous surgery	Pre-operative X-ray(s) Periodontal charting
Multiple Unit Fixed Restorations	
Abutments Pontics	Pre-operative X-rays (full arch)
Endodontics	
Conventional endodontics on permanent teeth and re-treatments	Pre- and post-operative X-rays
Oral Surgery	
Surgical extractions Impactions	Pre-operative X-rays
Anesthesia	
General IV sedation	Type, duration of agent

8.2 Prior plan approval

Prior approval (also referred to as prior review and prior authorization) is the process by which BCBSNC reviews the provision of certain “dental-medical” services (dental services paid under a member’s medical benefit, such as, TMJ, accidental injury or medically necessary orthodontia covered under Pediatric Oral Health) against health care management guidelines prior to the services being provided.

Reviews are done to confirm the following:

- + Member eligibility
- + Benefit coverage
- + Compliance with BCBSNC corporate medical policy regarding medical necessity
- + Appropriateness of setting
- + Requirements for utilization of in-network and out-of-network facilities and/or providers

It’s important for in-network providers to remember that hold harmless is a contractual agreement between BCBSNC and participating providers. The agreement states that the provider may not balance bill a member for services or supplies that were not prior authorized or certified in advance by BCBSNC and/or deemed not medically necessary by BCBSNC. Members are not to be held responsible for any failure to obtain PPA.

If a request for PPA is submitted and not approved for medical necessity, and the member elects to continue with the service, then you would need to have the member sign a waiver that they are aware of the denial of services and responsible for the cost.

When a BCBSNC member seeks care from a dental provider that is nonparticipating with BCBSNC, the care will be reimbursed at the lower benefit level, with the member having liability for a higher out-of-pocket expense. The member is responsible for making sure that the PPA is obtained.

8.2.1 Submitting a request

Requests for prior plan approval can be submitted to BCBSNC's Care Management and Operations department in one (1) of the following ways:

- + **Call 1-800-672-7897** Monday- Friday, 8:00 am – 5:00 pm
- + **Fax** clinical information to: **1-800-571-7942**
- + **Mail** clinical information to:
Blue Cross and Blue Shield of North Carolina
Attention: Care Management and Operations
PO Box 2291
Durham, NC 27702-2291

Include the following information when submitting a request:

- + Practice name and BCBSNC provider number
- + Contact name, phone number, and fax number
- + Patient's name, BCBSNC member ID number, and date of birth
- + Attending physician's name, BCBSNC provider number, and phone number
- + Treatment setting – i.e., physician's/provider's office
- + Expected dates of service
- + Description of diagnosis and diagnosis codes
- + Description of procedure and applicable codes
- + Clinical information, including history and physical, treatment plan, and orthodontic contract

If all clinical information is submitted with the request, then BCBSNC has three (3) business days to return a decision. If the nurses or medical directors need additional information, then the process can take up to fifteen (15) calendar days. A letter will be faxed to you with the determination.

The BCBSNC corporate medical policy for Pediatric Orthodontics includes documentation requirements, along with guidelines for coverage. Dental providers can access the policy at [bcbsnc.com/content/services/medical-policy/index.htm](https://www.bcbsnc.com/content/services/medical-policy/index.htm).

8.2.2 Peer to peer review

BCBSNC medical directors are available to discuss clinical problems and benefit issues with network providers, particularly where there are issues that complicate the management of the patient's condition. If you have questions about a certification request, you may request to speak directly to a medical director by calling **1-800-672-7897**, extension **51019**. The purpose of the peer to peer discussion is to give the requesting physicians an opportunity to discuss the clinical details of a requested service. A peer to peer review may also be requested by a BCBSNC medical director in order to obtain more clinical information from an attending physician before making a final determination.

8.2.3 Reconsideration review

BCBSNC offers a provider courtesy review for denied services. This is separate from the appeals process and is done if there is relevant information that was not previously submitted. This must be requested within one hundred and eighty (180) days from the date of the adverse benefit determination letter. Dental providers can submit this information by calling or faxing to the same numbers for Care Management and Operations (see **Section 8.2.1, Submitting a request**).

8.2.4 Appeals for medical necessity denials

Appeals for cases that are deemed not medically necessary by BCBSNC, and are pre-service, are member appeals. Member appeals must be initiated by the member. Providers can initiate an appeal on the member's behalf only with a signed member consent form. Member benefit notification letters will include instructions for members on how to file an appeal for medical necessity denials. Post-service appeals are provider appeals, and can continue to be submitted by providers. To find out more about BCBSNC appeals and grievance procedures, please refer to **Chapter 12** of this e-manual.

CHAPTER 9

Orthodontic care

9.1 Orthodontic care

When applicable, benefits for a comprehensive orthodontic treatment are covered for all eligible members through age eighteen (18). Non-standard plans may cover orthodontics on adults. The following are covered services that are typically considered part of the comprehensive orthodontic care (but only if the group has purchased the orthodontic rider):

- + Diagnosis, including the examination, study models, radiographs, and other aids needed to define a specific problem.
- + Appliances or devices worn during the course of treatment. Coverage includes the design, making, placement and adjustment of the device. Benefits are not provided to repair or replace an appliance.

AVAILABLE TO MEMBERS COVERED UNDER DENTAL BLUE FOR GROUPS AND DENTAL BLUE SELECT VOLUNTARY PLANS (ORTHODONTIC BENEFITS ARE NOT AVAILABLE ON INDIVIDUAL PLANS).

9.2 Medically necessary orthodontia

The ACA requires that ten (10) essential health benefits are included on every qualified health plan. One (1) of those essential benefits is pediatric dental coverage. Included in the pediatric dental essential health benefit is the coverage of orthodontia when it is medically necessary. BCBSNC will administer this benefit as follows:

- + Covered members under the age of nineteen (19) – the benefit ends on the member’s nineteenth (19th) birthday.
- + Twelve (12) month waiting period for the member to be eligible for this coverage, beginning on the member’s plan effective date. For example, if a member’s plan began on **1/1/2014**, then that member would be eligible for their orthodontia coverage on **1/1/2015**.
- + Codes (D8010, D8020, D8030, D8040, D8050, D8060, D8070, D8080, D8090, D8210, D8220, D8660, D8670, D8680, D8690, and D8999) will be added to BCBSNC’s prior plan approval list, which can be found at bcbsnc.com/content/providers/ppa/services.htm. This list is updated quarterly. Please reference **Chapter 8** for additional information related to prior plan approval.

9.2.1 Claims

Since medical necessary orthodontia is a medical benefit, there are a few changes to how claims are filed:

- + Please be sure to use the 2012 ADA claims form with the appropriate CDT codes.
- + Include the diagnosis code(s) for the patient on the 2012 ADA claims form.

34. Diagnosis Code List Qualifier			(ICD-9 = B; ICD-10 = AB)
34a. Diagnosis Code(s)	A		C
(Primary diagnosis in “A”)	B		D

- + Please include a copy of the completed orthodontic contract/treatment plan with the claim.
- + Address for medical claims:
Blue Cross and Blue Shield of North Carolina
PO Box 35
Durham, NC 27702-0035
- + Emdeon Number for medical claims: **61472**
- + After your PPA is approved, you will need to submit a claim each time service is rendered in order to be reimbursed. You will not be receiving a payment in total upfront.

9.3 Notes on orthodontic claims

- + The dental provider must submit a complete treatment plan.
- + Initial fee/down payment (date braces are placed)
- + Number of treatment months
- + Monthly fee
- + File orthodontic claims on a monthly basis
- + Phase I treatment is minor orthodontic treatment and can be paid in one total fee when treatment begins. Phase II treatment is comprehensive orthodontics and is divided into multiple payments. The first benefit payment is 50% of your initial payment, but no more than half of the **lifetime maximum** for orthodontics. This is followed by monthly coinsurance payments based on the existing treatment plan, up to the **lifetime maximum** for orthodontics. In order for benefits to continue throughout the treatment plan, this dental benefit plan must remain in effect, the **member** must remain enrolled in the plan, and the **member's** orthodontic **lifetime maximum** must not be met.
- + Liability for orthodontic treatments should be assumed with the effective date of coverage, even if the braces were in place prior to coverage. Coverage is available from the effective date forward but only for the remaining time and fees (even if only a part of a member's lifetime orthodontic benefits are used).

CHAPTER 10

Provider certification

10.1 Provider certification

BCBSNC electronically submits annual payment information to the IRS. An IRS form W-9 is required to be submitted as requested for the registration process, or when you file your first claim with BCBSNC, or as the result of an IRS action due to a CP2100 report. Failure to provide a W-9 or certified W-9 when requested, may result in an IRS required withhold of payment. Dental providers may also find it necessary to re-file an IRS form W-9 to reflect changes in a practice as recommended by a tax accountant.

BCBSNC participates in the IRS tax identification number (TIN) matching service to verify provider certification. A description of the matching services is available on the Web at www.irs.gov. BCBSNC utilizes the matching service to validate IRS forms W-9 submitted by dental providers. The tax name and TIN, either an employer identification number (EIN) or social security number (SSN), submitted on the IRS form W-9 must match the IRS records.

10.2 Credentialing and re-credentialing

BCBSNC credentials all practitioners of care applying for membership in the network(s) and re-credentials any applicable contracted practitioner every three (3) years. Practitioners of care that are required to be credentialed and re-credentialed include both doctors of dental surgery (DDS) and doctors of dental medicine (DMD). Guidelines are followed for all providers applying for participation in the BCBSNC networks. These guidelines have been adopted by BCBSNC and adhere to the guidelines established by the National Committee for Quality Assurance (NCQA) and the North Carolina Department of Insurance (NCDOI). NCQA is responsible for accrediting managed care organizations (MCO's) using specific standards for credentialing, quality management, utilization management, member rights and responsibilities, preventive care, and medical records. The NCDOI is the regulatory body for the state of North Carolina for managed care organizations.

BCBSNC makes best efforts to process and complete all credentialing and re-credentialing applications within sixty (60) days of receipt of a completed application. For further information about the credentialing and/or re-credentialing process and to download forms and applications, please visit the "Providers Applying for Credentialing" page located at bcbsnc.com/content/providers/dental-providers/join-network.htm.

Additional forms required by Network Management when enrolling in the BCBSNC network:

- + Individual provider number application and/or group provider number application
- + Substitute W-9 form*

*Available for download at bcbsnc.com/content/providers/dental-providers/join-network.htm.

CHAPTER 11

**NEA accepted codes
for FastAttach™**

11.1 NEA accepted codes for FastAttach™

The following listing of CDT codes has been compiled for dental providers for use when sending electronic attachments using FastAttach (when supplying the needed supporting documentation with electronic claims). This chart has been designed to help dental providers distinguish the appropriate documentation accepted by NEA for transmission, based on CDT code submission and BCBSNC coverage plan.

Please note that the below chart has been designed as a guide but is not intended to be all inclusive. The absence of a code or attachment type does not preclude our requesting that other or additional information be provided, if needed to properly administer a member's dental benefits. Additionally, inclusion of a code does not guarantee payment or a member's eligibility for benefits. This listing is subject to change.

Dental care providers can view the attachment requirements for BCBSNC, as well as, other dental care payers when using NEA *FastLook*.

CHAPTER 12

Appeal and grievance procedures

12.1 Member appeal and grievance process

In accordance with state law and in response to heightened concerns about member privacy and the confidentiality of medical information. BCBSNC requires the **member's written authorization** in order for a third party, including the member's provider, to pursue an appeal or grievance on the member's behalf. The appeal and grievance processes are available to address member concerns about:

- + Adverse medical necessity decisions (non-certifications)
- + BCBSNC decisions related to the availability, delivery or quality of dental care
- + Claims payment, handling, or reimbursement
- + The relationship between BCBSNC and the member

Member appeals must be requested within one hundred and eighty (180) days of the adverse benefit determination letter. Member appeals have a thirty (30) day turnaround time once they are received by BCBSNC. There are expedited processes if a situation is urgent. Benefit notification letters will have instructions for how members can file an appeal. In order for you, the provider, to represent the member in a level I member appeal, a **written authorization** must be obtained from the member. The member may obtain the member appeal representation authorization form by calling the customer service phone number located on the back of their ID card or the member can download a copy at bcbsnc.com. A copy of the member representation authorization form is included in this section of the Dental e-Manual. Requests for review should also include all pertinent dental records information, not previously supplied to BCBSNC. Member authorization must be received by BCBSNC for a specific issue. A blanket authorization statement for appeal cannot be used. A signed authorization will remain valid until the particular issue is resolved or until authorization is rescinded by the member. Providers should submit documents for a level I appeal along with the appeal representation form to the following address:

Blue Cross and Blue Shield of North Carolina
Level I – Dental Member Appeals
PO Box 2100
Winston-Salem, NC 27102-2100

12.2 Member grievance policy

Occasionally, BCBSNC receives complaints from members about a provider or their staff regarding quality of care issues. In order to appropriately respond to our members, BCBSNC may ask you to review and provide a written response to such cases. You are required to cooperate with BCBSNC member grievance policies and must respond to BCBSNC direct inquiries within the timeframe specified in each request. This will ensure the best service to our mutual customer, our member/your patient.

12.2.1 Level I provider appeals

Level I provider appeals consist of retrospective reviews and do not require a member signed authorization. A post-service level I provider appeals of claims is performed based on your belief that a claim has been denied or adjudicated incorrectly. The provider appeal process is separate from BCBSNC's member rights and appeals process. If at any time the member files an appeal during a provider appeal, the member's appeal supersedes the provider appeal. Providers may not appeal items related to member benefit or contractual issues. If you believe a claim has been denied or adjudicated incorrectly, you may initiate a request for review by submitting a written request for appeal. To request a claim review regarding a processed claim related to:

- + Coding, bundling, or fees
- + Medical necessity

Providers will have ninety (90) calendar days from the adjudication date to submit the level I billing/coding dispute. Providers will have ninety (90) calendar days from the adjudication date to submit the level I clinical necessity provider appeal.

Blue Cross and Blue Shield of North Carolina
Level I – Dental Member Appeals
PO Box 2100
Winston-Salem, NC 27102-2100

12.2.2 Level II post-service provider appeals

Level II post-service provider appeals are available to dentist and will be performed by an independent review organization. Dental providers may file a level II post-service provider appeal for clinical necessity or billing disputes with MES Solutions, an independent review organization. There is a filing fee associated with all requests for a level II post-service provider appeal.

12.2.3 Process for submitting a post-service level II provider appeal

The level II post-service provider appeal request should clearly identify the issue that is in dispute and rationale for the appeal. Demographic information including subscriber name, patient name, patient BCBSNC ID number, provider name, and provider ID number should also be included with any request for appeal. Level II post-service provider appeals require a filing fee to be submitted before the review can begin. Providers may reduce administrative cost associated with records submission by first verifying that the record document information is consistent with BCBSNC dental policy, payment policy and clinical edit clarification guidelines.

A dental provider may file a level II post-service provider appeal if an adverse determination was given on a level I post-service provider appeal billing dispute or clinical necessity denial, as described below:

12.2.4 Level II post-service provider appeal for billing disputes

The BCBSNC billing dispute resolution process is available to resolve disputes over the application of coding and payment rules and methodologies to specific patients. Dental providers must submit a written request for level II post-service provider billing dispute appeal within ninety (90) calendar days of the date of the level I post-service provider appeal denial letter.

Dental providers must exhaust BCBSNC level I post-service provider appeal process before submitting a level II post-service provider appeal. You may access BCBSNC's dental policy at: [bcbsnc.com/content/providers/index.htm](https://www.bcbsnc.com/content/providers/index.htm). Dental providers should contact MES Solutions directly to submit a level II post-service provider appeal for medical necessity.

Billing Dispute	
Amount of Dispute	Filing Fee Calculation
\$1,000 or less	Filing fee shall be equal to \$50
Greater than \$1,000	Filing fee shall be equal to \$250

Medically Necessary Dispute	
Amount of Dispute	Filing Fee Calculation
\$1,000 or less	Filing fee shall be equal to \$50
Greater than \$1,000	Filing fee shall be equal to \$250

Note: For level II post-service provider appeals related to billing disputes, the disputed amount must exceed \$500. In instances where the disputed amount is less than \$500, the dental provider may submit similar disputes to the independent review organization within one (1) year of the original submission date. If the dental provider intends to submit additional similar disputes during the year, the dentist must contact the billing dispute reviewer to notify that additional similar submissions will be sent. If the one (1) year lapses and the disputes submitted are not in excess of \$500 in the aggregate, the original dispute will be dismissed. The filing fee will be refunded in the event that the dental provider prevails in the level II post-service appeal process.

12.3 Provider resources

The provider website contains a form for requesting provider appeal reviews regarding coding, bundling, fees, clinical necessity. This form is located at bcbsnc.com/assets/providers/public/pdfs/level_one_provider_appeal_form.pdf. BCBSNC provides resources that are readily available which may provide immediate resolution to questions for how a particular claim was considered. Your BCBSNC notification

of payment (NOP) and explanation of payment (EOP) provide a detailed summary of how a claim was adjudicated. The secured website bcbsnc-dental.com, accessed via the internet, allows you to search from your desktop: status of submitted claims, including payment amounts, member responsibility, and deductible amounts.

Glossary

The following abbreviated glossary of terms contains common terminology used in the descriptions of BCBSNC products and procedures.

Terminology specific to dental procedures can be referenced by accessing the ADA Glossary of Dental Terms available on the American Dental Association's website located at:

www.ada.org/en/publications/cdt/glossary-of-dental-clinical-and-administrative-ter.

Administrative costs - the costs assumed by a health and dental care plan for administrative services, such as claims processing, billing and overhead costs.

Administrative services only "ASO" - an account that assumes full claims liability (self-insured) for funding the dental and/or health benefits contract with a third party (such as BCBSNC) providing all or a portion of the administrative services that would be available under a regular health and/or dental plan. Because the service company assumes no liability for coverage, claim reserves normally are not required.

Allowable charge/amount - the maximum amount to be reimbursed to a provider as negotiated.
